“If you are as seriously alcoholic as we were, we believe there is no middle-of-the-road solution. We were in a position where life was becoming impossible, and if we had passed into the region from which there is no return through human aid, we had but two alternatives: One was to go on to the bitter end, blotting out the consciousness of our intolerable situation as best we could; and the other, to **accept spiritual help.**” AA Big Book P26.

TWO GUEST SPEAKERS FROM S.A. IN THE U.S.A.

We couldn't quite afford to fly them over, but we've got the next best thing.

We have lined up one speaker from Chicago and one from Nashville, both members with long-term sobriety. They will share their experience, strength and hope with us via Skype.

The venue is well equipped with wifi, projector and a big screen so hopefully, it will feel like our speakers are in the room with us.

Conference fee to be paid on the day
